IGCA FINANCIAL AGREEMENT

The Italian Greyhound Rescue Foundation (IGRF) fund is comprised of donations by members of the IGCA interested in the well being of the breed, private and adoption donations. The Rescue fund is maintained by the IGRF Treasurer and all donations must be payable to **IGRF Rescue**.

A suggested donation for adopting a rescue dog is \$250 and is non-refundable. This donation will help to offset the costs of spaying/neutering, vaccinations, dental care and any other expenses incurred in preparing an Italian Greyhound rescue dog for a long, healthy, happy life.

The IGCA and Rescue Dogs appreciate your donation!

INFORMATION AND REQUIREMENTS

1. It is vital to keep your Italian Greyhound on a leash whenever it is outdoors, unless it is in a fenced area. Never "trust" that your Italian Greyhound will not run away.
2. You must agree to keep your Italian Greyhound as a pet, to live in the house as a part of your family.
3. You must agree to maintain the necessary vaccinations (DHLPP, Rabies, etc.) and you will be responsible for licensing the dog as required within your community.
4. Should you ever decide you cannot keep or do not want the Italian Greyhound you obtained from the IGCA Rescue, you **MUST** notify the IGCA Rescue Representative prior to taking any action. IGCA Rescue will take the IG back unless there is another home available that is approved by the IGCA Rescue Rep. You may not give your IG to anyone else without the consent of IGCA Rescue and you must agree never to take it to a "pound" or other humane shelter.

I CERTIFY THAT I HAVE READ AND WILL AGREE TO ABIDE BY THE REQUIREMENTS SET FORTH. IF I QUALIFY AND RECEIVE AN ITALIAN GREYHOUND FROM IGCA RESCUE, I WILL ACCEPT FULL RESPONSIBILITY FOR THIS ITALIAN GREYHOUND.
